$1.25 As Minimum Is Sought

Solon: Industry Going To 'Low Wage' South

WASHINGTON (AP) — Rep. Madden (D-Ind) demanded Thursday that the national minimum wage be $1.25 an hour, to help slow down what he called a flight of industry to "low wage" Southern states.

Madden, whose district includes the great industrial concentration at Gary, said the 90-cent minimum proposed by President Eisenhower isn't enough to keep up with the cost of living. The minimum is now 75 cents.

He tangled frequently, in hearings of the House Labor Committee with Chairman Barden (D-NC), whose district is largely rural but includes some textile manufacturing.

Rep. Dollinger (D-NY), from New York's Bronx, also called for a $1.25 an hour minimum. Further, Dollinger said, coverage should be nationwide with no exceptions.

Barden retorted sarcastically, "Let's don't do a halfway job—let's give them $10 an hour and make everybody happy."

Madden told the committee:

The economic situation in a great many of our Northern states today has deteriorated by literally thousands of industries and factories moving into states in order to take advantage of substandard wages."

Rose Week In State June 5-11

"Rose Week" has been set for the week of June 5-11 in Lincoln and over the state by proclamations issued by Gov. Victor E. Anderson and Mayor Clark Jeary.

The official pronouncements made note of the sixth annual Cornhusker Rose Show which will be held on June 5. The show will be held at the offices of the First Federal Savings and Loan Association, at 1235 N.

In their proclamations, both officials took notice of the recognition given to roses and requested Nebraskans and Lincolnites to give special attention and interest to the flower by visiting parks, private gardens and the Rose Show.

Stubborn Auto Trouble-Maker

Sometimes a car is a pretty stubborn critter. Henry Bachman of 2401 P found that out.

Bachman was pushing his car down an incline to get it started. The motor didn't start, but the car did — right down the incline before he could get in.

The car rolled into a private parking lot of the Abbott Construction Company at 625 Plum and rammed a couple of parked trucks. The trucks escaped damage. The car got a few new dents.

Two men at the lot helped Bachman push the car out of the lot and down the street. It still didn't start. Bachman had to get help elsewhere.

Big Axle Rolls Onto Car Hood

When Elmer Ahlman of 3150 Dudley came out of his house, he found on his car a new hood ornament—a heavy rear axle truck assembly.

The axle rolled off a truck driven by Arnold Markel of 3120 Dudley when Markel turned a corner. Markel was heading west on Dudley when he turned north on 32nd. The Ahlman car was parked on 32nd, north of Dudley.

The axle assembly rolled onto the hood and stuck. It took a wrecker to remove it. In spite of the size of the assembly, damage was relatively light, police reported.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters under the checked figures give you.

BAERING DOWN ON THE NEWS By Arthur 'Bugs' Baer

Mr. Herbert Hoover's plan to save $13,000,000,000 is not cat-nip for the Univac.

☆ ☆ ☆

Speaking over a table - to - table hook-up Herbert said the only thing they don't do twice in Washin t on is to work.

☆ ☆ ☆

Everything is in triplicate except baby's first tooth.

Bugs Baer

☆ ☆ ☆

There were 4,700 different varieties of questionnaires in the bureaucratic jungle. Herbert used them all for stair padding.

☆ ☆ ☆

When they pro rata the savings we want Herbert to send us our share. We've already got our pro-rata of the spendings.

☆ ☆ ☆

We know Washington can save time, money and labor by operating dial telephones with a fork.

☆ ☆ ☆

But nobody has yet done a thing about our suggestion for everybody in the Bureau of Double Effort to exchange portfolios once a day.

☆ ☆ ☆

Folding the money Mr. Hoover saves is going to create another department.

☆ ☆ ☆

Here's another one of our economical ideas we sent to Herbert. In the next appropriation for marble memorials put two generals on one hoss.

☆ ☆ ☆

And how about cutting the corridors of the Pentagon up into bowling alleys and shuffle-boards?

☆ ☆ ☆

All of Mr. Hoover's suggestions will go to the Committee for Refusing Suggestions.

☆ ☆ ☆

The last dollar saved in Washington was during Coolidge's administration. Cal had a piggy bank.

Feed Grain Weak As Wheat Rallies

CHICAGO (AP) — Wheat futures started easy and then rallied Thursday on the Board of Trade. Feed grains were weak and soybeans lost around two cents a bushel.

A private crop forecast was the main bullish influence in wheat. Soybeans continued downward on good crop weather and continued weakness in oil and meal.

Wheat closed ⅛ to ½ higher, corn 1 to 1⅞ lower, oats ⅞ to 1½ lower, rye ¼ to ½ higher, soybeans unchanged to 1½ lower, and lard 5 to 18 cents a hundred pounds lower.

Stocks Manage Modest Advance

NEW YORK (AP)—The stock market shook free from the doldrums Thursday and managed a modest advance.

For the past three sessions, the stock market failed to get anywhere pricewise, but Thursday it swung ahead.

Demand broadened to include most major divisions and encompassed some that have been neglected of late.

The steels did well along with motors, rubbers, farm implements, aircrafts, distillers, chemicals, motion pictures, building materials and utilities.

The railroads were ahead most of the sessions but ran into mild profit-taking near the close. A similiar fate befell the airlines. Both of these divisions were strong Wednesday. Tobaccos, weak Wednesday, made a small recovery gesture Thursday.

Prices throughout the list were up 1 to 3 points frequently. Losses seldom were as great as a point.

The Associated Press average of 60 stocks was up 50 cents at $165.30. It was down 10 cents Wednesday. The average now stands close to the record high of $166.80 scored last April 26 just before the market went into a consolidating reaction.

$150 TO $250 PER WEEK
I want two neat appearing men, with cars, to represent an old national concern; one of the largest of its kind in the country, with offices established throughout the state. If you are willing to work hard for $150 and up per week, are able to work in or around Omaha or Lincoln, don't pass up this ad. If you are a man of average intelligence, I want to talk to you. Believe me, fellows, it is not. It has been 14 months since I joined this firm and I regret it wasn't 14 years ago. I have made more money in the past year with this firm than I earned with other firms in the previous 3 years. I don't care what your previous experience has been, whether it was selling magazines, books, vacuum cleaners, appliances, pictures, coupons, or any other type of work, if you are able to open your mouth and talk to me I will show you how easy it is to earn up to $250 a week with this company. Experience is not necessary. We give you a complete training. If accepted you will be employed by one of the largest concerns of its kind in the country You will be backed by millions of dollars in advanced advertising. This advertising will keep you busy constantly, calling on qualified leads sent in by people demanding that our representatives call on them. This is a job with security for the rest of your life. Get in on the ground floor. You owe it to yourself to answer this ad. You have everything to gain and nothing to lose. Come in and let us prove to you that this is what you have been waiting for.
